## JANUARY/FEBRUARY 2010

*Happy New Year everybody,*

What a great way to have a cool Xmas and welcome the New Year in with all the wonderful rain which fell over that period.

I think I measured around six inches all up and this will certainly assist our struggling farmers and secure good feed for the winter whilst also providing excellent sub soil moisture for winter crops to be sown.

My old home town of Coonabarabran sure copped it having received around 18 inches or 450 ml since Xmas week.

I hope 2010 brings loads of good health, happiness and wealth to you all.

It is the intention of your executive to make our 20<sup>th</sup> year and Jazz Festival the best to date with a number of concerts and functions lined up. We intend to make it something special to celebrate our achievements from our humble beginning in 1990. A number of bands have already been signed to do

concerts throughout the year and the Dubbo City Bowling Club is anxious to host Jazz on the Green again. Further details will be provided later in this edition.

### *MEMBERSHIP RENEWAL*

As you are aware your membership expired at the end of December and is now due.

Please complete the Membership Renewal Form at the end of this Newsletter and return it with your subscription ASAP to Membership Officer, P O Box 1711, Dubbo. 2830

Come on members fill it out now and return it. This is the year you cannot afford not be a member of the best and cheapest club in town. Our discounts to concerts and the festival are not to be missed.

Our special thanks to those members who have already renewed without prompting.
